

"Alive at 25" is a video-based 4 - hour class. Developed by the National Safety Council, the program focuses on good decision-making while the driver or passenger in a motor vehicle. The course is specially designed for drivers from ages 15-24 years old. In comparison to their peer programs graduates have experienced an over 72% decrease in crash fatalities. "Alive @ 25" teaches young drivers important decision-making skills for staying safe behind the wheel.

The Texas Alive Team is a non-profit multi-agency team of law enforcement and safety professionals dedicated to saving lives. Our goal is to empower young drivers to adopt safer driving habits and reduce injury and death among Texas' young drivers. This class may be used for insurance discounts and ticket dismissal or deferral (please check with your insurance agency or the court prior to attending).
